

# weftec® 2014

the water quality event™

## Where Oil, Gas, and Water DO Mix

87th Annual Water Environment Federation Technical Exhibition and Conference  
New Orleans Morial Convention Center | New Orleans, Louisiana USA  
Conference: September 27 – October 1, 2014 | Exhibition: September 29 – October 1, 2014

WEFTEC is the premier water quality event of choice for thousands of professionals looking for best practices, innovative technologies, and solutions for effective water management.

Join us for the WEFTEC  
Oil & Gas Industry  
Preview Day – Monday,  
September 29 and  
experience what  
WEFTEC has to offer.

- Attend high-quality education content on Treating Wastewater from Oil Refining and Upstream Oil & Gas topics.
- Join hundreds of your colleagues at the WEFTEC Industrial Networking Reception.
- Visit the largest water quality exhibition in the world, with nearly 1,000 exhibiting companies.

### Make THE Water Quality Event YOUR Water Quality Event!
